Subject: Qualification Criteria for Qualified Star Agents

Dear All,

Good Morning!

We are thrilled to announce a significant update to our Marketing Plan, set to take effect in March 2025. This change has been implemented in response to market demand.

Important Update on QSA (25%) Qualification

Effective March 2025 – February 2026

The previous QSA (25%) qualification of 3000 PPV has been withdrawn.

To achieve QSA (25%), you need to complete 1000 PPV & 2000 non-QSA Group PV.

This update is designed to provide time for more awareness campaigns on the 3,000 PV requirement.

We value your feedback and continuously adapt to market needs.

We appreciate your cooperation and look forward to your continued success!

Stay tuned for more updates and opportunities ahead!

Thanks,

Raman kumar Jha

International Marketing Director.
