Dear DXN Distributors,

Subject: Revised Policy for Spouse Membership

This letter serves to notify you of the updated policy for Spouse Membership, permitting both husband and wife to register and maintain individual DXN memberships worldwide under the following conditions:

1. The spouse must register as a member directly under their spouse who is already an existing member.
2. In the event of any serious violation of rules and regulations by one spouse, the company's actions will apply equally to both spouses.
3. In the event that a married couple already holds two (2) separate membership codes, unifying the two membership codes into a single membership will no longer be allowed.
4. In the event that a married couple has already requested to unify/merge two (2) separate membership codes into a single membership and now wishes to hold two membership codes again, then one spouse can register a new membership under the spouse who is already an existing member as mentioned in point #1.

As of **1st January 2025**, this policy will take effect.

We request all members to clearly understand and adhere to this update. Should you have any questions or require further clarification, please feel free to contact your nearest DXN office or representative.

Thank you for your attention and cooperation.

Regards,

DMI MANAGEMENT
